## Statement and Purpose

The Indiana Department of Administration and the City of Indianapolis have developed a certification application to determine whether your firm is eligible for certification and contracting programs. To qualify as a Minority Business Enterprise (MBE) or a Women Business Enterprise (WBE), your firm must meet the eligibility standards established by the certifying agency, a copy of which is attached. You are strongly encouraged to familiarize yourself with these regulations before submitting your application. Instructions for completing this application are attached.

We urge you to take advantage of city and state contracting opportunities offered under this program by filling out the attached application. If you need assistance, or have questions regarding completion of the application, please contact the appropriate office listed in this document.

Upon receipt of the completed Application for Certification, the Department will evaluate the information submitted to determine compliance with the criteria. **It is, therefore, imperative that your application and any attached documentation provide evidence of the ownership and control of your firm.** You must also show that your firm has the resources necessary to perform the work you indicated. Only those firms which have been certified under this process can be considered for participation in both or one of the MBE and WBE programs.

**To ensure a timely review of your application, you must answer all questions and submit all requested documentation. If your firm was established in the past 2 years, and portions of the application do not seem applicable, please place (N/A) on the questions that do not apply. Failure to complete portions of the application and to submit the requested documentation will delay the certification process. *The effort you make in submitting a complete application, the documentation requested and any other documentation that will help prove your firm meets the eligibility standards will decrease the amount of processing time.***

Since it is intended to prevent abuse of the program, the application is in the form of a **SWORN AFFIDAVIT**. The information requested is for certification purposes only and will be kept confidential to the extent allowed by law. Some portions of the certification application and/or documentation may be released under the Freedom of Information Act. **ANY FALSE INFORMATION SUBMITTED BY APPLICANTS WILL BE CONSIDERED AS GROUNDS FOR DENIAL/DECERTIFICATION AND FOR PROSECUTION.**

### Right of Refusal

**Firms located outside of Indiana must be certified by their home state prior to certification consideration.** Each state shall have the right to refuse certification of a firm despite the fact that said firm may be certified. Also, the Indiana Department of Administration and the City of Indianapolis have the right to make independent decisions as they deem necessary.
